

OKEE
Shipmanagement GmbH & Co. KG

Who We Are

OKEE Shipmanagement GmbH & Co. KG is a Hamburg-based ship management company providing expert technical and commercial management solutions. Established in 2021 as a natural expansion of our shipowning business (which began in 2016), OKEE is a boutique-style ship manager, offering dedicated and customized solutions comparable to larger market players but with a more client-focused approach.

Our Mission & Vision

- ▶ To provide transparent, cost-efficient, and high-quality ship management services
- ▶ To utilize innovative digital solutions and operational efficiency to maximize vessel performance
- ▶ To establish long-term partnerships built on trust, reliability, and full transparency

Our Services

Technical Management

- ▶ Cost-effective and hands-on approach with in-house experts (Captains, Engineers, and Superintendents)
- ▶ Full transparency through our digital platform, allowing owners real-time access to budgets, certificates, schedules, and maintenance
- ▶ High expertise in managing aged vessels in compliance with all regulations

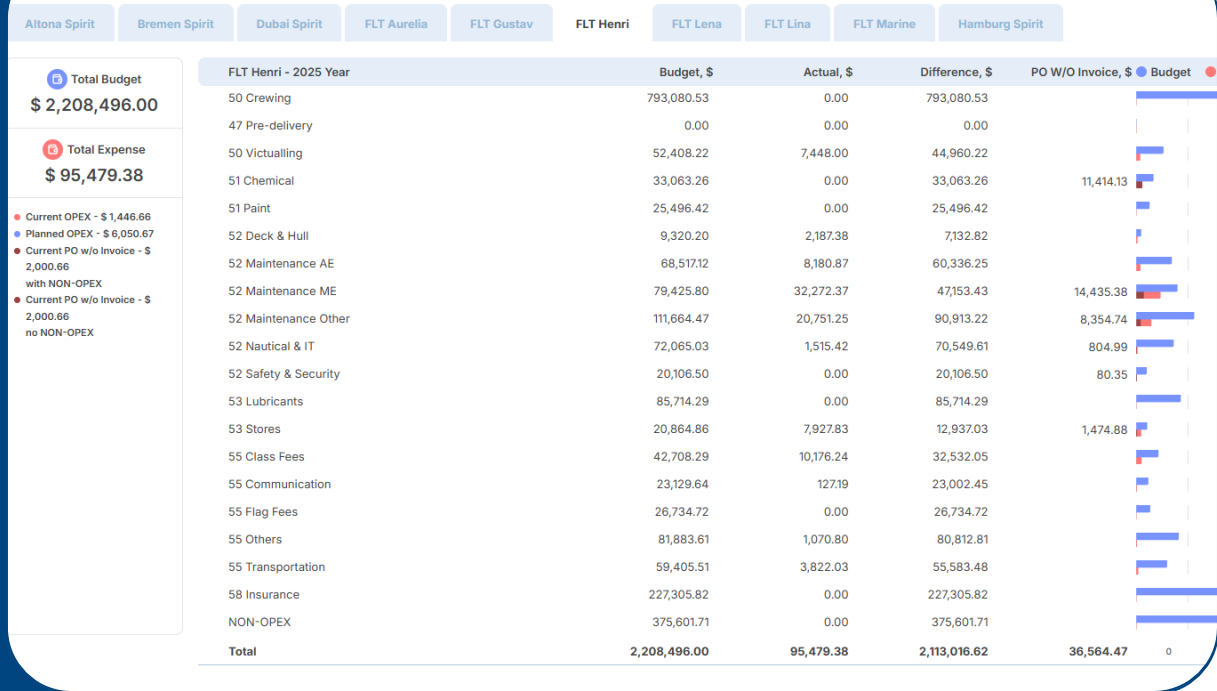

Crew Management

- ▶ Thorough selection process with intensive screening, testing, and evaluations
- ▶ Dedicated welfare programs focusing on both mental and physical well-being
- ▶ Skilled crew sourced mainly from Eastern Europe and the Philippines

Procurement & Cost Optimization

Budget Overview

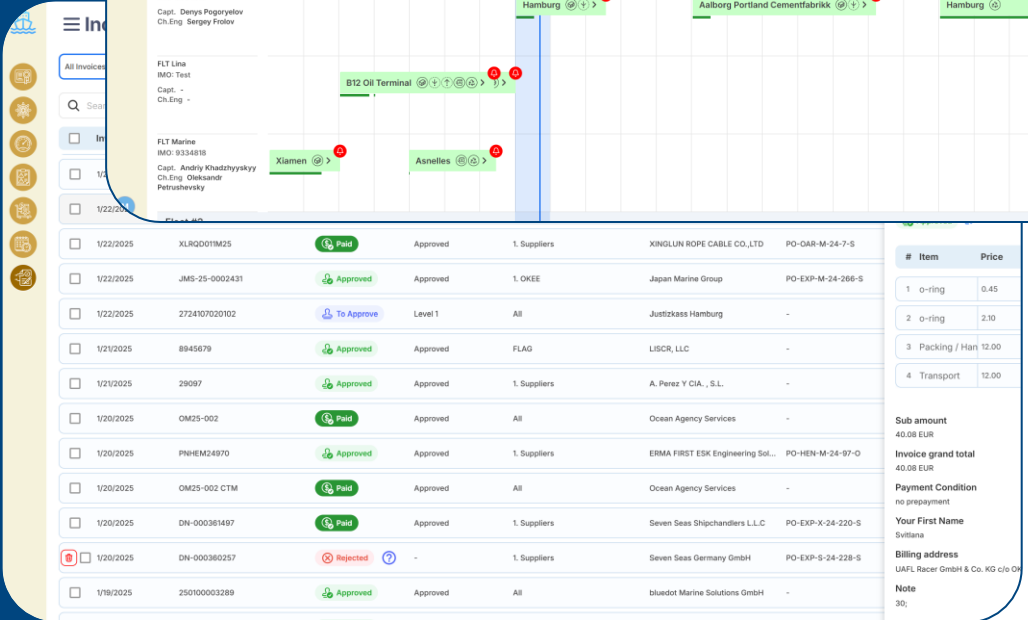

- Strategic global procurement partnerships to secure cost-effective, high-quality spare parts and services
- Access to high-performance fuel-efficient coatings at competitive pricing
- Efficient procurement procedures ensuring minimal downtime and cost control

Commercial & Performance Management

- ▶ Active monitoring of vessel performance, emissions compliance, and EU ETS strategies
- ▶ Integrated digital tools for tracking and optimizing fuel consumption and voyage performance
- ▶ Full compliance with regulatory requirements, including CII, EEXI, and IMO 2050
